

ELISABETTA FRANCHI

Spring/Summer 2013
SHOES – BAGS & ACCESSORIES

The accessories of SS2013 Elisabetta Franchi are the real protagonists of the collection. The shoes, made precious by out-and-out jewels, make the dream of all *shoes addicts* come true. From pump shoes, to *mary-jane* with roses appliqués, from safari-colored ankle boots, to sandals with golden details and metallic tassels, to open-toe high-heels with asymmetric ribbons and tulle, *urban-fashion* sneakers con gold particulars, for an elegant gym-version. The collection is completed by maxi-plateau shoes that give sensuality to the female silhouette.

Elisabetta Franchi SS2013 woman has a wide choice of bags: fringed handbags maxi shoppers, evening gold-chained *pochettes*, and casual-chic models that conform the unmistakable quality and elegance of the brand.

Belts decorated with ribbons and charms, enhancing the waist line, give to every article that touch of femininity that has always characterized the brand. Bracelets and medals tinkle with every step and the chandelier earrings become the new *must-have* of the ELISABETTA FRANCHI woman.

The colour palette of SS13 accessories spreads from the warm tones of ginger and cinnamon, to the new pomegranate and aquamarine. Cipria remains a constant of the brand, sided by the new and sophisticated match black-cream.

ELISABETTA FRANCHI griffed woman is the true expression of democratic luxury.
